Training methods are pain and force-free with an emphasis on positive reinforcement. No chokes, prongs or electrical devices will be allowed in class or during our private lessons.

Trainer, at her discretion, may refuse class entry to a dog who is not healthy, is aggressive or does not seem suitable for the services provided. No refund will be made. Client may still attend classes without the dog present to observe and learn.

Puppies under 16 weeks of age must have had at least their first round of the distemper/parainfluenza/parvovirus vaccination and a first deworming. They should be kept up to date on vaccines throughout the class. You may want to schedule your puppy's ongoing vaccinations the day after classes so puppy isn't sore or sleepy for class. All other dogs must be inoculated against distemper, parainfluenza, parvovirus, bordatella and rabies. **Proof of vaccination is mandatory to complete enrollment in a group class.** Dogs must also be healthy and parasite, flea and tick free to attend class. Spay/neutering is not mandatory, however if you are having the procedure done, schedule carefully ensuring your dog has enough recovery time and doesn't miss a class.

Group class sign up is on a first-come, first-served basis. To guarantee a spot mail or email this completed and signed form along with a copy of your dog's vaccination records and payment (make check out to "You Silly Dog, LLC") to: You Silly Dog, LLC, 3112 Royston Avenue, Baltimore MD 21214. Credit card payments may be sent via Paypal to alisa@yousillydog.com or you can contact Alisa with a credit card to run through Square. **You will receive either a phone call or email confirming your registration, otherwise you are not considered enrolled in a class.** If you have any questions, please call Alisa at 443.625.9866 or email alisa@yousillydog.com.

Group class clients: If you need to cancel out of a class, please contact Alisa at least one week prior to the start date. Unfortunately, a refund is not guaranteed if notice is given after that time. Make up classes are not available and no refunds or credits will be made if the client misses or drops out of classes. Classes may be canceled due to inclement weather or other unforeseen circumstances. If class is canceled, then the schedule will be pushed out by one week so please plan accordingly. If you cannot attend the pushed out class date, unfortunately no other make up classes are available however, class notes will be provided via email with a summary of what we covered.

Private lesson clients: Because I take only a small number of cases at a time and because consistency is key to your success and results, I am not able to accommodate cancellations. If you need to cancel a scheduled session, please understand your payment for that session will not be credited or refunded. This policy allows me to focus my attention on motivated clients, keep my rates reasonable, and give you the best chance possible of reaching your training goals.
